

Dear Theatre Sponsor,

"All the world's a stage," and this spring, we invite your troupe to step onto ours as part of Music Mountain Theatre's 2026 Drama Festival: a celebration of performance and education designed to give students the chance to shine, learn, and connect through the joy of theatre.

At Music Mountain Theatre, our mission is to provide high-quality, affordable entertainment and education for our extended community through the study, performance, and appreciation of the arts. We pride ourselves on fostering a welcoming, inclusive environment where creativity flourishes and every performer has the chance to shine.

The **2026 MMT Drama Festival will be held on March 20 and March 27.** This year's festival features engaging workshops, opportunities for your troupe to showcase its work, constructive feedback from professional actors, and time to build connections with fellow students and sponsors. As part of the festival experience, your troupe will also enjoy our evening mainstage production of either *Shrek* (March 20th) or *Mame* (March 27th).

Following our mainstage production, each school will be honored with a recognition plaque, and outstanding achievements will be celebrated with trophies and certificates for Outstanding Performers, Best Direction, and Best Overall Production.

With over thirty years of theatrical experience and more than 200 musicals, plays, and children's productions produced, Music Mountain Theatre deeply understands the transformative power of the arts in education.

Enclosed, you will find the essential information for registration. We look forward to welcoming you this spring for an exciting celebration of talent, artistry, and community. The stage is ready, the lights are shining, and we can't wait to cheer on your students as they share their passion at the 2026 Music Mountain Theatre Drama Festival.

Theatrically yours,

Jordan Brennan, Producing Director
